

MANAGING CONFLICT IN THE WORKPLACE

When people work together conflict is often unavoidable, because of differences in work goals and personal styles. Handling conflict in the workplace can be very challenging, especially for team leaders. Our natural inclination is 'flight or fight'.

This course is designed to equip participants with the correct techniques to successfully manage and resolve conflicts in a mutually acceptable way in any work situation. This is a highly practical course that involves scenario building and role plays.

Learning Objectives:

Participants will:

- Recognise the different types of conflicts and their causes
- Apply the various strategies that may be applied to manage conflicts
- Communicate honestly about feelings and emotions
- Develop emphatic listening skills
- Understand the processes that transform negotiation from competition to collaboration
- Define the steps in win-win negotiation
