

IMPROVING MANAGERIAL EFFECTIVENESS – 3 Days

This course will give your managers an opportunity to experience management simulations and role-model the specific behaviours that will enable them to perform at their very best. They will move from being a boss to a coach who gets results. It will help them to conquer obstacles that can make or break a career in management.

Learning Objective

Participants will:

- Increase your confidence and gain better buy-in from your team
- Create a high-performance team with shared goals
- Motivate your people and help to connect work with a purpose and meaning
- Gain practical tools to deal with conflicts and challenging employees
- Quickly adapt and change your behavior to better drive productivity
- Acquire the behaviors and competencies of a transformational coach
- Get feedback and answers to your challenges through simulations
