

PROTOCOL & TRAVEL MANAGEMENT

– 3 DAYS

Best practice protocol services are delivered in deliberate observance of extant norms and modern rules of engagement. A Protocol officer should possess the knowledge, skills and attitude required for processing the right documents at the right time and in the right place supported with efficient logistics as this constitute prime requirements for achieving business goals.

This course will provide participants with practices that are coherent and in-line with international best practices.

Learning Objectives

At the end of this course, participants will:

Develop skills for efficient protocol and travel management

Plan and organise national and international travel and accommodation

Plan international exhibitions, visits and events

Turn complaints to opportunities
